The Arkansas State Firefighters Association recently presented Troy "Skeet" Seaton with the ASFA Hall of Fame Award in recognition of his outstanding service, achievements and contributions to the firefighting profession. Seaton is a retired 20-year captain, who served as president of the ASFA for two terms, president of East Central District Firefighters for two terms and was legislative chairman for three years. Skeet is currently owner and barber at Plaza's Barber Shop and a drummer/musician who was inducted into the Rockabilly Hall of Fame in May 2011. "I am very appreciative of this honor that came out of left field for me. I was completely caught off guard. I am proud to say the Arkansas State Firefighters Association is still going strong and will continue to better the services provided to the many that continue to fight the blazes," commented Seaton.
